The pod friends

Maths Made Easy, from Orca Pods Academy. At the end of each bay the pod meets a new friend. Your child chooses a name and writes it on the card, then cuts along the dashed line and sticks the card over that friend's square on the journey poster. The second set is a spare, in case a card goes missing or a name changes.

THE ELEVEN FRIENDS, IN THE ORDER THE POD MEETS THEM

Orca calf
Bay 1
My name is _____

Puffin
Bay 2
My name is _____

Sea otter
Bay 3
My name is _____

Harbour seal
